

OUTPUT FOR LOGIN PAGE

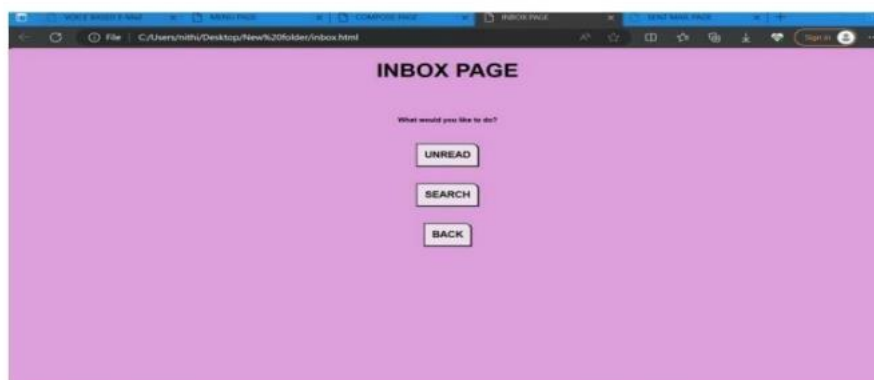

A screenshot of a web browser displaying a login page. The page has a light purple background. At the top, the text "LOGIN HERE" is centered. Below it, the label "E-Mail" is centered, followed by a text input field with the placeholder "Enter your email id". Below the email field, the label "Password" is centered, followed by a password input field with the placeholder "Password". At the bottom, there is a "Submit" button.

OUTPUT FOR MENU PAGE

A screenshot of a web browser displaying a menu page. The page has a light purple background. At the top, the text "MENU PAGE" is centered. Below it, the text "What would you like to do?" is centered. Below this text, there are four buttons stacked vertically: "Compose", "Inbox", "Sent", and "Trash".

OUTPUT FOR INBOX PAGE

A screenshot of a web browser displaying an inbox page. The page has a light purple background. At the top, the text "INBOX PAGE" is centered. Below it, the text "What would you like to do?" is centered. Below this text, there are three buttons stacked vertically: "UNREAD", "SEARCH", and "BACK".
